

2007 Princess 25M

Princess 25m flybridge motor yachts. Exceptionally well presented and maintained example of the Princess 25m model, finished with the dark blue hull, flybridge hard top and available with her berth in the South of France. Her superb 4 ensuite cabin layout, with additional separate crew quarters for 4, is complimented with a high specification to MCA standard and also features reverse cycle air conditioning, 2 generators, hydraulic passerelle, tender crane, bow and stern thrusters, water maker and KVH satellite TV system. Her experienced owner is now looking for a smaller flybridge yacht which will be more suited to his cruising plans for next season. Viewing highly recommended.
